Contract Update

04/01/2020

Dear Site Operations Support Services Employees,

The purpose of this memo is to welcome you all to WE2 Support Services 8(a) JV, LLC. Transition is behind us, and I want to thank you all for your patience and persistence in working through the transition process. It is always a hectic time made even more challenging with the COVID-19 precautions that prevented us from face-to-face meetings with you to accomplish the hiring process. But we made it thanks to a lot of work by many people and cooperation from you. So thank you!

My goal is to work with the new staff to get back to our disciplined approach to safely executing our scope as quickly as possible. Please recognize we have new people in new roles and some of the same people in different roles, so take nothing for granted as you conduct your daily activities while we develop our new normal. Our next immediate action is to make sure all of us have access to the new time keeping systems. You should be getting information and instruction today on how to sign in to the new systems. If you have issues, please contact Valerie Whetzel or our business office for support.

Again, welcome to the new team. I look forward to getting started!

Regards,

Dane Anderson
